

We hope you're planning on returning to the Lake of the Ozarks this year!

2015 Central MO PCC Conference

August 12-14

Camden On The Lake

Based on feedback with many of our loyal vendors, we have changed the vendor set up this year. Instead of the standard booths, we are encouraging vendors to come to the Lake as VIP attendees. You will not be asked to stand in a booth all day but have the opportunity to mingle with your customers and prospects, attend classes, set your own schedule, and be recognized as respected sources at the Happy Hour on Thursday.

In addition, there is an opportunity for further recognition with these sponsorships:
